The **Children's Forum** is a private, not-for-profit organization committed to enhancing and improving the quality, affordability, and availability of child care and early education through a broad array of programs, services, and publications. Whether you are a parent, policy maker, early childhood teacher, director, or academician, we invite you to click on the buttons at the left to learn how we might be able to meet your needs or just learn more about us.

It is our goal to provide you with the most up-to-date and relevant information, resources, and tools to help you make a positive difference in the lives of children and their families. We appreciate your feedback about our website and how we might be of service.
